

Dear Sir/Madam ,

The service we provide is not fulfilled based on a special order, it is just an option, a service offer you may take to strengthen publicity of your company.

We start the editing of the catalogue in November each year, which means for the registration fee you have paid via bank transfer, you are going to receive threefold services:

- your trademark will be listed in the catalogue.
- you are going to receive a sample of the catalogue, which also includes trademarks of other companies.
- not only your trademark will be present in our catalogue, but for the registration fee paid we undertake to distribute the catalogue worldwide, this way your trademark will also be seen by many companies which is one of the greatest way of advertising your company.

The final compilation and prepare for publishing of the Catalogue starts in November.

We also have an official invoice on this service.

After service fulfillment this year /you may also have detailed pieces of information on this on our webpage:

www.tmedition.com

- as soon as the catalogue is compiled, we start to post the catalogues to our Clients'hand in the Spring every year, which contains all the previous year's registrations..

If you wish, we are pleased mailing you a free sample of latest edition, this way you will have a real visionable idea about the catalogue.

If you have any question,please do not hesitate to contact us.

Thank you.

Best regards,

The Management
